

EVENT CONTENT DESIGN

Content is King! Let our design team help you deliver that all important messaging...

We know it's crucial to you to capture your delegates' attention and ensure they leave your event informed, equipped and inspired. So, our Creative Team will work with you to design the content that clearly conveys the feel and key messaging of your event. Every event is unique, but broadly speaking this could include:

Branding

- Graphic Design of Event 'Brand' Images and Logos.
- Branding and dressing of the meeting and venue spaces.

Delegate Communications

- Print and Digital communications (emails, information packs etc.)
- Branded event websites and online registration.

Presentations

- Branded PowerPoint templates for your presenters.
- Recommending presentation content styles to help deliver your messages.
- Preparing and reformatting presentations for your speakers.
- Professional Presenter coaching.

Video

- Opening and closing conference videos.
- Video presentations, 3D Graphics and Animations.
- Pre-recorded Vox Pops and Video diaries.

Let us help you design and deliver a clear, inspiring message at your next event.
