

FESTIVE PHOTO STUDIO

DURATION

60 - 240 minutes

GUEST NOS.

Unlimited

REQUIREMENTS

The studio requires a minimum floor space of 12ft x 8ft and access to power.

Put yourself in the picture with our exclusive green screen technology-based photo studio. Large enough to accommodate up to 10 guests at a time the fun photo studio uses green screen technology so you can transport yourself to the moon, appear in your favourite Christmas film poster or be standing on a rooftop with Santa!

Just select your preferred background on the simple to use touch screen computer, pose, smile and say cheese! If you're happy with the result just press print and a 6" x 4" high quality image will be printed just seconds later. Easy to use, the fun photo studio will provide hours of entertainment and the printed photos a unique memento of the evening for years to come.

"We just wanted to say what a fab time was had by all at our event last week. The booth was a huge success and we are looking forward to viewing the many photos. Brilliant - lots of fun!" CPM
