Do you know your French Hens from your Swimming Swans; your Silent Night from your Ding Dong Merrily on High; or your George Michael from your Noddy Holder?

The GPS Ho-Ho Hunt is the ultimate Christmas Challenge to be enjoyed during the festive period that's guaranteed to get you in the festive spirit. The challenge is to navigate around the GPS hotspots to crack clues, answer the Christmas trivia and complete the wacky and creative festive challenges and earn as many points as possible.

Only when your GPS verifies that you are in exactly the right location will your team be able to activate the hotspot and attempt the challenge!

We supply the tablets pre-loaded with your hunt and teams can check in with the event manager at any time to see how they and their competitors are faring in real time – which should spur them on to complete as many challenges as possible and arrive back at the venue before their time runs out! NB We can provide Santa hats at an additional cost.

“We had a fabulous time on the event and loved seeing our colleagues in that light” Toshiba
