

PARACHUTES

DURATION

10-60 minutes

GUEST NOS.

4-70 guests

REQUIREMENTS

Dependant on number of participants

Designed to encourage guests to communicate and interact in a fun environment the parachute works well as an icebreaker or conference breakout session.

Working well both indoors (dependent upon space and ceiling height) and outdoors whilst being versatile in length we can tailor your session to match your timings, guest numbers and requirements. Guests will feel fully revived and invigorated, making this a memorable addition to any conference.

Involving a giant colourful parachute and a small amount of physical activity all guests are invited take part in a warm-up activity, breaking down barriers and fully motivating your group.

Then with energy levels soaring, team members work together to successfully control the movement of their parachute during a selection of games such including:

- Rollerball
- Cat & Mouse
- Para-swap
- Wrap Up
- Mushrooms
- Flip
