Want an evening with a difference, then look no further! Our virtual Race Night features an “eclectic” mix of races from greyhound to piglet, pony trap to snails!

All the fun of the races, we sort the rookies from the bookies as your guests gamble virtual fun money in an attempt to ‘clean up’ after the race!

Our Clerk of the Course will explain the format of the event and your guests will be invited to “place their bets”.

With competitors like Buster Cabbage, Stew Pot, Lester Piglet and Reddish Rum, who will you bet on!

The objective is to accumulate as much money as possible in an attempt to be the most successful ‘punter’...let the betting commence!

“Thank you to you and the team for an excellent evening of fun.” Wickes
