Out of Office Olympics is a highly visual and entertaining session of team building activities with the emphasis very much on participation, interaction and laughter!

Having been divided into teams, the event commences with everyone participating in a lively aerobic warm up session, delivered by our Comperè and demonstrated by our own in-house dance team!

After bodies have been warmed and muscles gently stretched, teams will move to their first game. These have been carefully and imaginatively designed to enable full participation by everyone regardless of sporting and fitness levels. Each team competes head to head against another team on each activity, trying to maximize their score before moving onto the next game.

An exciting blend of inflatable games and bonus fun rounds, Out of Office Olympics will energise and motivate guests to work together in a fun and entertaining environment. This is truly a day to remember.

“Absolutely fabulous thank you. Great laugh and your team were excellent” Carlsberg

THE ACTIVITIES

Your teams will compete head to head on a selection of the following activities:

The Big Cheese Large Inflatable

Each team member climbs up and over the steps of the inflatable Big Cheese. Reaching through the mouse hole they will retrieve a ball and climb back over the cheese wedge to deposit the ball into the scoring zone.

In a Squeeze Large Inflatable

Competitors must squeeze through the rollers of the inflatable mangle in order to collect their hoopla ring and return down the outside lane to score points by successfully landing the hoopla on their team's pole.

Euro Tunnel Large Inflatable

Crawl through the tunnel as smoothly as possible to collect a rubber quoit. Returning via the same route, you must then attempt to score by skilfully landing your ring in a target basket.

Beaujolais Run Large Inflatable

Wearing a hard hat with a cup of water attached, team members tiptoe in and out of the inflatable tyres trying not to spill a drop. And to make it a little more difficult, the cups have holes in them!

Crazy Coconuts Large Inflatable

Scramble under the cargo net to reach for a coconut from the palm trees. They are scarce though and the team that collects the most will be awarded the highest score!

Dart Football

This is a hilariously fun sport played with a giant blow-up dartboard and specially designed 'foot darts' which stick to the velcro covered board when you kick them! Scored in the same manner as traditional darts, highest scores with 3 darts win the points!

Gladiator Joust (Bonus Game)

A head to head battle in the inflatable gladiator arena! Wearing protective headgear, competitors attempt to knock their opponent from the podium using giant cushioned jousting pads.

Basketball (Bonus Game)

In the time allocated, your team tries to score as many baskets as possible. But beware each ball that lands in your opponents basket, loses your team a point. A steady hand is needed.

Take your stance on your allocated zone and see if you can be 'The Last Man Standing'. Try to knock your opponents of their pedestal with huge foam filled ball, which is suspended from the centre of the inflatable.

Human Table Football

Teams are strapped into our giant inflatable pitch for a game of footy unlike anything you've ever seen before! After this frenetic playoff, the bar football table in your local will never look the same again.

Inflatable Beach Volleyball

Our giant inflatable Volleyball Court is one of the largest of its kind in the UK. No volleyball skill is necessary as your 5-a-side teams aim to set, dig and spike their way to success. Inflatable palm trees, a bright yellow base and no sand in your shoes!
