EVENT
VIDEO

Inspired by the highly entertaining Wipeout show games, this event challenges your teams to take on inflatables like no other! Energetic and great fun to watch, the giant inflatable obstacles will test your teams' ability to climb, scramble, dodge, jump, fall and laugh whilst trying to earn maximum points against the opposing teams.

Participation, interaction and fun are very much the order of this team building day. Following a gentle warm up, teams head out to their first challenges. Up to 4 teams compete on each challenge before rotating to the next game, striving to earn as many points as possible on each activity.

Each of the 4 games has a different skill set needed in order to triumph, so player selection is an important part of team strategy. Of course, simply sending all team members through continuously is another way to approach it – but whichever plan your teams follow the end result is sure to be memorable for all involved!

Wiped Out is a great way to build team spirit, have lots of fun and enjoy a brilliant event together.

“The total wipe out arm was such good fun - thanks for a great day! Your team were brilliant as always” Mapeley Estates Ltd

WIPED OUT

THE ACTIVITIES

Up to 4 teams will compete head to head on each of the following large inflatable activities:

Sweeper Arm

Jump, duck, jump, duck – repeat! Tackle this wipe-out inspired speed and agility challenge to be the last one standing as the sweeper arm rotates above the inflatable bed. Up to 8 players can compete at the same time, so let the opposition be bowled over and swept away by this hilarious activity!

Wall Slide and Football Penalty Shoot Out Combo

Coming down is the easy part! First you need to traverse the 5 sloping platforms before clambering up back of the giant 12 ft. wedge slide using the ropes available. You'll be glad of a breather sliding down the front section. But no sooner have you landed and it's onto the second part of this 2-inflatable combo – demonstrate your shooting accuracy with the Penalty Shoot Out challenge, can you shoot through one of the 3 targets to gain maximum points when the pressure is on?!

Washing Machine

This crazy cube sorts the 'delicates' in your group as they venture into a sea of plastic balls. Hidden amongst these colourful spheres are a number of 'special' items to find against the clock – will you triumph or get hung out to dry? There's only one way to find out! (NB soap suds are optional in this challenge, but must be agreed in advance).

Punching Wall

Run the gauntlet as the opposing team try to knock you off your feet – literally. Competitors try to skip, leap and bend their way around the unpredictable inflatable cushions being thrust through the wall by the other team hidden behind. Your goal is to make it to the end of wall, whilst the other team work to dislodge you. Take that!

WINNERS

Rotating around all the activities, teams endeavour to build the highest overall score possible. The winners (and the losers!) will receive their just rewards in the medals presentation where all final scores are revealed.
