EVENT
VIDEO

Country Sports Days make an exciting option for incentives, rewards or breaking the ice.

We can provide a complete hospitality package and manage the entire event, complete with flags, bunting, and gazebos, leaving you and your guests free to relax and enjoy the fun. We will provide traditional Country Sports designed to invigorate your guests in a fun atmosphere.

Our professional instructors will guide you through the activities with emphasis on guests gaining as much 'hands on' experience as possible.

Available in a competitive format or as informal fun, your guests will take part in each activity as they progress around the event. Informally we will search for the best individual on each activity whilst in competition, guests must work together to complete the tasks and either 'beat the clock' or score the most points in order to gain maximum advantage for their team.

Based upon skill, scoring is devised so that the competitive can compete whilst those simply wishing to enjoy the day can do so. Whilst being encouraged to 'have a go' no one will feel under any pressure to take part.

"We had a fabulous day with typical British outdoor activities. Our guests were impressed. Your staff were very professional, funny and friendly" Hengeler Mueller

COUNTRY SPORTS

DETAILS

Pistol Shooting

A good eye and steady hand are required to ensure the top score on our targets. Safety is paramount but does not detract from the thrill.

Rifle Shooting

Using our highly accurate air rifles, test your concentration and skill against the targets. We can't promise to turn you into a marksman but you will receive quality instruction and plenty of shots!

Laser Clay Shooting

If you have quick reflexes and a good eye this should be your forte – test your skill at Clay Shooting with the safety and accuracy of modern technology. (The laser shotguns give no recoil).

Ferret Racing

Guests become involved with the race, entering the ferret into the pipe course then dashing to the end of the course encouraging their ferret to win the race.

Falconry

After an introduction to the eagles, hawks, owls and falcons, guests fly the birds from the glove. The birds demonstrate their speed and accuracy in flight.

Axe Throwing

Under the guidance of our instructors, guests will use our lightweight resin axes with the aim of consistently hitting the centre of the wooden target boss.

Sheep Dog Handling

Our dogs are highly trained Welsh collies that respond to “away”, “by”, “walk” and “stand”. Whilst the ducks move a little more slowly than sheep, co-ordination with ‘rover’ is still a fine art and great fun.

Crossbow Archery

Powerful crossbows require accuracy and skill and provide an archery experience with a difference.

Longbow Archery

Continue England's noble tradition by trying your skill with a modern bow: lighter and stronger but equally accurate. Would you have been a match for Robin Hood?

Archery Scrabble

Armed with traditional longbows guests are challenged to spell a word or phrase by landing their arrows on the correct letters from up to 40 feet away.

Segways

It's like hovering above the ground. Gliding defines the movement rather than riding: They're smooth and graceful and the experience is unique. Stand on and you will almost instantly feel connected with the machine!

DETAILS CONTINUED

Welly Wanging

Welly throwing, also known as welly hoying, welly wanging and boot throwing, is a sport in which competitors are required to throw a Wellington boot as far as possible!

Sweeper Arm

Jump, duck, jump, duck – repeat! Tackle this wipe-out inspired speed and agility challenge to be the last one standing as the sweeper arm rotates above the inflatable bed. Up to 8 players can compete at the same time, so let the opposition be bowled over and swept away by this hilarious activity!

Punching Wall

Run the gauntlet as the opposing team try to knock you off your feet – literally. Competitors try to skip, leap and bend their way around the unpredictable inflatable cushions being thrust through the wall by the other team hidden behind. Your goal is to make it to the end of wall, whilst the other team work to dislodge you. Take that!

Washing Machine

This crazy cube sorts the 'delicates' in your group as they venture into a sea of plastic balls. Hidden amongst these colourful spheres are a number of 'special' items to find against the clock – will you triumph or get hung out to dry? There's only one way to find out! (NB no water/soap is involved in this challenge)

Giant Slide

Coming down is the easy part! Clamber up the back of the giant 12 ft. wedge slide using the ropes available to earn a breather sliding down the front section. The only problem is...you have to do it all over again!

Zorb Ball Racing

Step into these huge inflatable balls which allow you to move freely inside. Then overtake, out speed and outsmart your competitor in the inflatable arena! Let the 3 lap races begin!

Human Table Football

The boot is definitely on the other foot as you and your guests are strapped into our giant inflatable pitch for a game of footie like no other!

Croquet

You can always get the ball rolling with croquet! Croquet is a classic European recreational game that involves hitting wooden or plastic balls through hoops with a mallet, and whilst in theory is a relaxing & low impact game in reality a competitive edge & ruthless nature often shine through!

DETAILS CONTINUED

Zorb Football

Strap yourselves into your own one man body Zorb and rather than tackle, use the more effective 'barge' to win the ball from your opponents!

Dart Football

This is a hilariously fun sport played with a giant blow-up dartboard and specially designed 'foot darts' which stick to the velcro covered board when you kick them! Scored in the same manner as traditional darts, this fresh twist on the ever-popular game of darts is a brilliant way to involve all your guests!

Last Man Standing

Take your stance on your allocated zone and see if you can be 'The Last Man Standing'. Try to knock your opponents of their pedestal with huge foam filled ball, which is suspended from the centre of the inflatable.

Inflatable Beach Volleyball

Our giant inflatable Volleyball Court is one of the largest of its kind in the UK. No volleyball skill is necessary as your 5-a-side teams aim to set, dig and spike their way to success.

Space Hopper Football

Some people are on the pitch... and they're on space hoppers! Played in a giant inflatable arena you'll be bursting to score a goal in this fantastic, fun, footy competition

Gladiator Joust

Wearing protective headgear, competitors attempt to knock their opponent from the inflatable podium using giant cushioned jousting pads. A great icebreaker or old grudge settler – inflatable jousting is a hit!

Football Speed Gun Challenge

No finesse or skill involved in this one... just brute force & leg power!

Catch It reaction game

10 items suspended above you head... are released with a random drop pattern from our automated standing frame, only those with cat like reflexes shall prevail! The aim is to to be quick on your feet and catch as many of the falling items as possible.
