

PHOTO BOOTHS

360 VIDEO BOOTH

Taking photobooths to the next level, the 360 video booth is the latest craze to be sweeping the nation! Step onto the 1m circular platform and pull a series of poses as the camera rotates around you recording your every move! Whats included:

- Unlimited videos to include addition of personal message/logo
- Video sharing via email
- Email transfer of all videos taken at your event
- Selection of props
- GIF Animations
- Operator for the duration of your event

SELFIE POD

The Selfie Pod is a great new Photo Booth, as well as being small and portable its a powerful machine. Designed for smaller events where space is limited. This great booth will work indoor or outdoors. It brings your photos to life with the following:

- Custom designed templates
- Live face detection for props
- Single photo mode
- Three shot photo
- GIF Animations
- Boomerang mode
- Instantly text & email photo to guests

MAGIC MIRROR

This glamorous selfie mirror captures full length photos using a touch sensitive reflective screen. Strike a pose then customise your picture using the on screen paint pad. The mirror even tells you how fabulous you through the process! The Mirror comes with these great features:

- Fully interactive screen animations
- Unlimited guest visits
- Full length photos
- Giant 70" touch screen
- Great selection of props
- Mirror attendant for full hire

THE BIG CUBE

The 2.5M inflatable enclosure will impress everyone at your event!

Use our touchscreen photobooth to take goofy selfies or get your friends involved for a group picture. The booth comes loaded with a huge selection of fun props.

The photos can be instantly uploaded to facebook and a digital copy of all the images send to you the next day.

Photos can also be instantly printed to give your guests a takeaway reminder of the fun they had.
