

WHAT DO WE DO IF IT RAINS?

“Don’t panic, we’ve got you covered!”

Wet Weather Contingencies

If the weather is wet and cold, we always continue with booked activities, advise that participants wear appropriate clothing and bring a pop-up gazebo to provide a little shelter. Only in very extreme weather conditions would we stop the event for health and safety reasons. ***This is an exceptionally rare occurrence!***

If you would like to add an indoor wet weather contingency plan to your event, we have two options available:

Option 1 – Decision 7 days prior

No additional charge – strictly subject to availability of equipment and staff

This option allows you to decide 7 days prior to the event if you would like to proceed with the booked outdoor activity, or based on weather forecasts if you would like to switch to an indoor replacement. Once amended this cannot be changed back again, as our vans are pre-loaded with the chosen equipment a number of days in advance! Please note no refund is applicable on any difference in price between the events.

Current replacement options are, click on the title for event details:

- [Krypton Factor](#)
- [Mega Quiz](#)

Option 2 – Decision on the Day

Additional charge of £500 plus VAT

For full peace of mind, you can simply add this option to your booking which allows you to decide when you arrive onsite, as to which activity you would like to go ahead with before anything is set up. As this is an additional event, we have to make a minimal charge of £500 plus VAT to cover the additional equipment and for any additional transport that may be needed as well.

Current replacement options are, click on the title for event details:
